

Dear Bohua members,

The Daylight Saving Time ends this Sunday. Please adjust the clock one hour back before going to bed this Saturday night.

Since there will be a bike event (CycoCross Boulder Cup) this Sunday, the Fairview High main parking lot will be used by the event. Based on the latest information I got, most races will finish by 2:00PM. Please use carpool or parking on the street. The horseshoe area at the front of the building will be only accessible to Bohua members to drop off and pickup students. CycoCross staff member and a Bohua School Council Member will be at the entry to check the pass. Please print out the attached file and show at the driveway entry. We will also distribute some passes at entry if you have trouble to print out.

It will snow for two days along Front Range. Stay warm and drive safely.

See you Sunday!

Xiao Zhang

Dedicated volunteer Bohua Management Team

School starts at 1 pm

Language classes start at 2 pm
